1 March 2021 marks the 25th anniversary of the Asia-Europe Meeting (ASEM) Process. As part of this celebration, an open call has been launched to invite messages from young people from Asia and Europe highlighting the importance of Asia-Europe relations.

If you are between 18-30 years of age and a citizen of one of the 51 ASEM countries, you are welcome to participate in this activity. Interested? Send your message through this form by 28 February 2021.

The best messages will be published on the European Union and ASEM social media. You might also win a chance to be featured in interviews to be published on official websites of the European Union and ASEM!
