PRAHK - Le Pavillon Rouge des Arts Hong Kong

Le Pavillon Rouge des Arts Hong Kong (PRAHK) was founded in 2014, following the establishment of Le Pavillon Rouge des Arts (PRA) in Lyon, France.

It is a Sino-French cultural structure that provides expertise, trainings and services in the artistic field. It leads and coordinates artistic projects in Hong Kong and China. Most of these are co-productions with France.

PRAHK dedicates itself to promoting cultural exchanges between Europe and Asia and to facilitate the artistic development in France, China and Hong Kong. We offer workshops and trainings, initiate projects and produce high-quality shows and performances. We integrate elements of Asian and European societies into our productions, adding international perspectives into our creations.
