Swimming Pool Art Space

SWIMMING POOL is an art project space in Sofia. It is located on a central rooftop with an empty pool built in the 1930s.

Our program is dedicated to artistic, curatorial and philosophical research. Our activity encompasses exhibitions, performances, screenings, public programs, and collaborative projects.

Since the founding of SWIMMING POOL in 2014, Viktoria Draganova organizes its artistic program. In 2016, our projects were supported by Gergana Todorova as an associate curator. In 2017, Kalina Gotzeva, Tsvetomira Borisova and Radina Ivanova have been part of our interns team.

Swimming Pool Art projects announces the launch of our WRITING RESIDENCY open to artists interested in any form of writing.
