MOBILITY FUNDING GUIDE
2018-2019 EDITION

This guide is the updated edition of the Guide to funding opportunities for the international mobility of artists and culture professionals in Europe1 produced by the Foundation Interarts, On the Move and PRACTICS and published online in September 2011.

Updated in October 2018, the present guide on Portugal includes:
- Mobility funding opportunities open to Portuguese nationals and residents in most artistic and cultural disciplines > Outgoing mobility (OM);
- Mobility funding opportunities open to nationals from countries other than Portugal in most artistic and cultural disciplines > Incoming mobility (IM)

This guide lists national and local resources, both public and private. Only regular opportunities accessible online are listed; funds for which information is only available offline, not based on open calls, and ad hoc or short-term funding are usually not included. For a full overview of the methodology and scope of the research, please refer to the introduction to the Guide to funding opportunities for the international mobility of artists and culture professionals in Europe2.

Overall, the main objective of these series of country-specific guides is to make available online, the existing information on funding for the international mobility of artists and cultural operators and to give input to funders on how to fill in the existing gaps in order to ensure a sustainable support to cultural mobility in Europe and in the world.

This guide has been updated and enriched by Polo Cultural Gaivotas Bovista (Lisbon City Council)3 under the coordination of On the Move, with the support of the Asia-Europe Foundation (ASEF). It attempts to gather all the resources in one document and is by no means complete. You can send your comments, suggestions and corrections to: mobility@on-themove.org

For regular and one-off calls for projects, collaborations and other opportunities to fund international cultural exchange, we invite you to subscribe for free to the monthly newsletter of http://on-the-move.org.
